## ILEX OPACA (American Holly)

American Hollies are fast becoming America's most popular plants. Those listed below are all named varieties of tried and proven worth and should not be compared with seedling or unnamed sorts.

**Croonenberg.** A Greenbrier introduction. Upright, compact grower with fine dark green foliage, above average in size and very spiny. Berries of good size and fine red color.

**Howardi.** Foliage very dark and glossy. Berries red and attractive.

**Savannah.** A fast grower, columnar and upright in habit. Very handsome and fruitful, with red fruit well displayed.

**Taber No. 3.** A very distinct and outstanding variety. Growth slender and pyramidal, retaining this form without pruning. Foliage large and spiny. Showy, large, bright red fruits.
